Collecting Gently Used Sports Equipment

Bring your gently used sports equipment, lacrosse and any other sport, to the Spring Thaw Lacrosse Invitational at Owen J Roberts High School on March 28th and 29th. It will be collected, cleaned, then distributed to underprivileged youth recreational organizations in the Philadelphia area. Any type of sports equipment will be accepted, except helmets.— they require too much money to be recertified. Cleats and practice jerseys will also be welcomed.

Look for the **PASS IT ON** table at the Spring Thaw where you can drop off your donation.
